

THE NURSERY NEWSLETTER

November 2013

Parental Involvement

We would like to say thank you to all the parents for helping their child in contributing towards the production of our displays and our fabulous Gruffalo which stands outside the preschool room.

We would also like to thank you for all the positive feedback we have been receiving and to ask you to continue to fill in the parent comment sheets.

Safety

Can Parents please not park immediately outside of the front gates as this causes obstruction for other vehicles.

Parents are also requested not to leave gates open either inside the nursery or outside, this is purely for the children's safety.

How you can help in the New Year

Over the Christmas period if you could collect all your empty boxes, and gift bags we would love to have them along with any ribbons, bows and old christmas cards.

If you are taking photos over this period it would be nice if we could have a copy to update our family walls, as these photos are a great comfort for the children.

And if your having a sort out of children's clothing we would very much appreciate them to use as spares for when the children have accidents in nursery.

Important Dates

Children's Christmas Party is on December 10th 1.30pm.

(Places are limited due to staff/child ratio, but all children will receive a small gift from Santa, if not on the day , on the next day they attend nursery)

Nursery Closes for Christmas on 24th December 5.30pm and reopens 2nd January 2014.

Last day for the 2&3 year old government funded time will be Friday 20th December and will begin again on Monday 6th January 2014.

Reminder

Will all parents please inform nursery if your child is going to be late or absent from nursery, no matter for what reason, and preferably by 10am so we can get the correct lunch numbers. Thank you.

Although we have been quite lucky up until now with the weather , it is starting to get very cold so can you please ensure that your child is warmly dressed and has hat ,scarves and gloves to wear as the children still do have outdoor periods during the winter.

Message from Santa

portablenorthpole.com

For anyone interested, this is a site which gives personalised messages to your child, and you can put your child's name on Santa's 'good List'. It can also be used for a whole family message.
