

THE NURSERY NEWSLETTER

January 2013

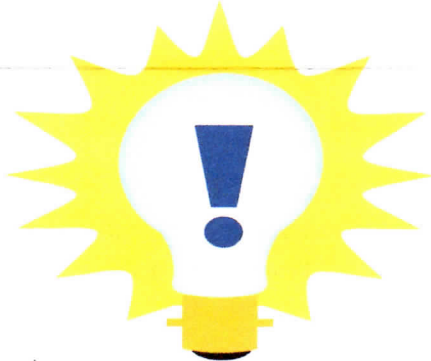

Happy New Year

The staff would like to wish everyone a Happy New Year and welcome all the children who have started The Nursery since Christmas.

Staff would also like to remind parents that they are always available to discuss any concerns you may have about your children with you.

Safety

For the safety of your children could parents please close the nursery gates behind yourself. As although we are not on the main road the traffic still gets quite bad

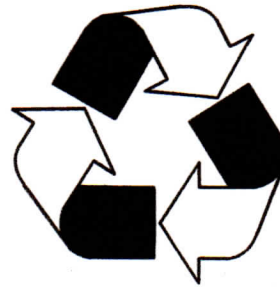

We also need to remind you not to open the nursery door to other parents no matter how well you know them. Please wait for a staff member to open it. Thank you.

Development Files

Parents who took their child's development file home at Christmas to look at could they please return them so the staff can keep them upto date, and if you did not get the chance to see your child's file then please ask your child's key worker to see it if you so wish. Whilst you have the development file, it would be most appreciated if you could sign and maybe comment on any observations carried out on your child. Your views are always welcome

Recycled Clothing

Please help us raise funds for the nursery by sending any good quality second hand clothing or bedding into nursery in the sacks provided by Friday 1st February.

By doing this you are not only helping the nursery but also helping The Fire Fighters Charity.

Freddy Teddy

Toddler room has a Teddy Bear called Freddy who goes home with each child in turn. Parents are asked to write and put photographs into his diary so that the children can share his good times with his friends, in order for us to do this we must have permission slips for the sharing of photos signed by the parent. If you have not already signed a slip please see a member of staff.
